

THE EVOLUTION OF STRENGTH TRAINING EQUIPMENT.

**FUNCTIONAL TRAINER**

MADE IN THE U.S.A. 

# FUNCTIONAL TRAINER

## Unparalleled form and function.

PRIME offers a state-of-the-art functional trainer that provides a nearly limitless variety of exercise and training options. As with all PRIME equipment, the Functional Trainer is as sturdy as it is versatile. The PRIME Functional Trainer features:

- + Dual 265 lb. weight stacks with a 2:1 ratio - offering more than enough weight load for fitness enthusiasts of all levels.
- + Adjustable arm positions - 15 Vertical and 9 Horizontal Exercise Arm adjustments = a nearly limitless amount of unilateral exercise options.
- + Convenient 5 lb. add-on weight feature.
- + Exercise instructional placard.
- + Nearly limitless variety of exercise options.

Bench sold separately

RO-T8 Handles (Optional)

The unique swivel design of these handles yields a drastic increase in output potential on select exercises when executing bilateral cable work on our Functional Trainer. The RO-T8 Handles are available in two color options: PRIME Green or Black.

### Lock-In Centering

Our Lock-In Centering technology ensures the bench is always properly centered.
